Lenders need documents from buyers to begin loan process:

- Signed purchase agreement
- Signed residency application
- Verification of income
(1 month of pay stubs, or 2 years of income tax returns if self employed)

Once a buyer receives lender approval, additional paperwork is necessary before closing the loan:

- Identification card such as driver's license
- Additional material to prove assets and debts
(2 to 3 months of bank statements)
- Proof of down payment
- Home insurance policy

Disclaimer: You are free to use the lender of your choice. Please contact the lender directly to obtain an application and answer any questions you may have.
